Report of the Trustees for the Year Ended 31 March 2019

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2019. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The principal objective of the charity is to provide an advice and representation service to the residents of West Dunbartonshire.

West Dunbartonshire Citizens Advice Bureau offers a free, confidential, impartial and independent advice, assistance and representation service. The aim of the service is to ensure that individuals do not suffer through lack of knowledge of their rights and responsibilities or through an inability to express their needs effectively. An equally important objective is to exercise a responsible influence on the development of social policies and services both locally and nationally.

The bureau frontline service, which is delivered from town-centre, full-time premises in Alexandria, Clydebank and Dumbarton, is staffed in the main by a pool of 50 volunteers who are assisted by a team of support staff. These volunteers have all undergone a rigorous training program which lasts a minimum of four months.

The Trustees of West Dunbartonshire Citizens Advice Bureau have overseen a number of difficult restructures in the last few years. West Dunbartonshire regularly fares poorly in the indices of multiple deprivation and the Directors are aware that the current situation is unlikely to improve in the near future. Trustees' thoughts will focus on the extent to which West Dunbartonshire Citizens Advice Bureau can continue to meet high levels of demand. The Trustees recognise the need for development of new working partnerships if current needs and future demands are to be met.

Public benefit

The charity meets the definition of a public benefit entity under FRS 102.

Volunteers

In accordance with FRS 102 and the Charities SORP (FRS 102), the economic contribution of general volunteers is not recognised in the financial statements as this cannot be reliably measured.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The financial statements show the overall position of the charity as at 31 March 2019, its incoming resources and the application of these resources for the year ended that date.

Income received during the year totalled £515,153 (2018 £484,990) and expenditure totalled £538,130 (2018 £460,395). A deficit of £22,977 was generated against a surplus of £24,595 in 2018. The 2018 surplus can be mainly attributed to the legacy of £44,271 received during the year (2019 balance £26).

Review of activities

In the year, West Dunbartonshire Citizens Advice Bureau advised and assisted clients on over 29,000 social welfare issues, generating client financial gains of £2.5m.

West Dunbartonshire Citizens Advice Bureau continues to be at the forefront of local activity to mitigate the impact of social security cuts and public sector austerity measures. We led the local response to the rollout of Universal Credit, we promoted the Financial Health Check campaign, our Local Energy Advice Project continues to be successful, we established a Claimant Support Unit in Alexandria following the decision to close the local jobcentre, and, in conjunction with a number of partners, we launched a very successful Power of Attorney campaign.

Additional funding allowed us to recruit more staff to specialise in Universal Credit (via the national Help to Claim initiative), recruit a Financial Health Check Worker to promote uptake of benefits and Tax Credits and additional staff working on debt cases in anticipation of the post-Christmas rush for money advice.

Report of the Trustees for the Year Ended 31 March 2019

FINANCIAL REVIEW

Principal funding sources

The charity is largely dependent on the local authority as a key funder. For the financial year 2019/20, West Dunbartonshire Council/West Dunbartonshire Community Planning Partnership has confirmed there will be a 2% reduction in funding.

In addition to core funding, where possible the charity seeks to attract additional funding from trusts and charities. Funding is received from Citizens Advice Scotland to deliver contracts awarded by Scotlish Government. However, the principal funders remain West Dunbartonshire Council, West Dunbartonshire Community Planning Partnership and Scotlish Government agencies.

Reserves policy

The Trustees believe that the charity should hold financial reserves in order to ensure that the charity can continue to operate and meet the needs of clients in the event of unforeseen, and potentially damaging, financial circumstances arising. The Trustees therefore consider that it is prudent to set aside an amount equivalent to three months operating expenditure. The present level of reserves are as shown on the Balance Sheet.

Risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks. Risk assessments are made on a regular basis.

FUTURE PLANS

Notwithstanding our commitment to working with West Dunbartonshire Council and other partners to achieve the aims of the Advice Services Partnership (particularly in relation to welfare reform), as always there are a number of key objectives for the charity:

- consolidating the West Dunbartonshire Citizens Advice Bureau service
- continued recruitment of volunteer Advisors and Trustees
- retention of high calibre support staff
- development of new working partnerships
- maintaining a quality service

Future plans include taking a lead role in the preparations in West Dunbartonshire for Universal Credit Full Service Roll Out, Development of Digital Support Services, preparation for the new Scottish Social Security Service and enhancement of the Local Energy Awareness Project which will align with measures to support the Scottish Governments Child Poverty Targets.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

West Dunbartonshire Citizens Advice Bureau is a company limited by guarantee, incorporated in Scotland on 13 July 2000, company number SC209080 and registered as a Scottish charity on 13 July 2000, charity number SC002558. The charity was formed under a Memorandum of Association which established its objects and powers and is governed under its Articles of Association.

Report of the Trustees for the Year Ended 31 March 2019

STRUCTURE, GOVERNANCE AND MANAGEMENT

Recruitment and appointment of new trustees

The Board of Trustees (also known as Directors for the purpose of the Companies Act) are elected annually from its membership. There are three categories of membership:

- Local Resident Member (eight places) membership in this category is open to any individual (of age 16 or over) who is resident in the operating area;
- Local Group Member (two places) membership in this category is open to any individual who is nominated for membership by a voluntary, statutory or other organisation or body operating within the operating area;
- Volunteer Worker Member (four places) membership in this category is open to any individual who is a member of the volunteer staff of the Bureau.

In addition, there is a place for the Chief Executive and three co-opted Directors.

In addition to the elected places, both West Dunbartonshire Council (the core funder) and Citizens Advice Scotland (the national umbrella organisation) are entitled to nominate observers to attend Board Meetings. West Dunbartonshire Community Planning Partnership is represented by a Monitoring Officer with responsibility for financial and performance monitoring.

Organisational structure

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association. The Chief Executive Officer is responsible for all operational aspects of the organisation.

The Chief Executive Officer provides regular written reports to the Board of Trustees which is responsible largely for the strategic management of the organisation. The Board also focuses on policy-making and the oversight function. In the period covered by this report there are three sub-committees active within the Bureau. These were:

- the Staffing sub-committee
- the Finance sub-committee
- the Governance sub-committee
- the Development Working Group

The nature and composition of these sub-committees can change as a result of external influences and/or changing needs. The powers of Directors are as detailed in the Memorandum and Articles of Association.

Induction and training of new trustees

It is a requirement of membership of the Board of Trustees of West Dunbartonshire Citizens Advice Bureau (CAB) that each new trustee agrees to undertake induction training. Induction training for the Trustees includes the following:

- aims and principles of the CAB service
- summary of legal responsibilities of the Board
- trustees' responsibilities
- the role of sub-committees
- responsibilities in relation to staff and volunteers
- how West Dunbartonshire Citizens Advice Bureau services are organised
- quality management issues
- responsibility for planning and finance
- compliance risk issues

Induction training is conducted in-house, with occasional supplementary training for Trustees provided by Citizens Advice Scotland.

Key management personnel

The Board of Trustees do not consider any one individual to have responsibility as key management.

Report of the Trustees for the Year Ended 31 March 2019

STRUCTURE, GOVERNANCE AND MANAGEMENT Wider network

West Dunbartonshire Citizens Advice Bureau is a member of Citizens Advice Scotland and Trustees receive professional advice from Anna Grant, CAS Development Officer. West Dunbartonshire Citizens Advice Bureau received core funding from West Dunbartonshire Council which is entitled to be represented at Board meetings. Meetings are also attended by West Dunbartonshire Council's nominated Monitoring Officer.

Related parties

Certain Trustees are employed by West Dunbartonshire Council, who are principal funders of the charity. However, they have no influence over grant funding. One individual is however, the Leader of West Dunbartonshire Council and the Trustees have put policies in place to manage any conflict of interest.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of West Dunbartonshire Citizens Advice Bureau for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

Statutory Auditor

The Statutory Auditor, Alastair Stewart BA(Hons) CA of Gillespie & Anderson, Statutory Auditors, Chartered Accountants, has expressed a willingness to continue in office.

Approved by order of the board of trustees on 13 August 2019 and signed on its behalf by:

J McCormack - Secretary

Report of the Independent Auditors to the Trustees and Members of West Dunbartonshire Citizens Advice Bureau

Opinion

We have audited the financial statements of West Dunbartonshire Citizens Advice Bureau (the 'charitable company') for the year ended 31 March 2019 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2019 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 20 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

Report of the Independent Auditors to the Trustees and Members of West Dunbartonshire Citizens Advice Bureau

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 (as amended) requires us to report to you if, in our opinion:

- the charitable company has not kept proper and adequate accounting records or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Responsibilities of trustees

As explained more fully in the Statement of Trustees Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the charitable company's trustees, as a body, in accordance with Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charitable company's members and trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members and trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements for the Year Ended 31 March 2019

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Going concern

The trustees are aware of the deficit incurred in the year and the potential decrease in funding in future years but still consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Presentation currency

The financial statements are presented in sterling which is the functional currency of the charity.

Critical accounting judgements and key sources of estimation uncertainty

The Trustees have made judgements, estimates and assumptions that affect the amounts reported within the financial statements during the year. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. The Trustees estimates, assumptions and judgements that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the financial statements are addressed and detail is provided in the associated notes.

Income

Donations and legacies consists of donations, grants and legacies. Donations are recognised when the charity is entitled to the income, receipt of the income is probable and the amount can be measured reliably. Income from grants is recognised when the charity is entitled to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably. Legacy income is recognised when it is probable that it will be received and the amount has been quantified.

Expenditure

Expenditure has been classified under the headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of the resources.

Expenditure is recognised on an accrual basis when a legal liability is incurred, payment of the liability is probable and the amount can be measured reliably. The amount includes any VAT which cannot be fully recovered. VAT is reported as part of the expenditure to which it relates.

Charitable activities comprise all resources expended undertaking work to meet the charity's charitable objectives. Such costs include the direct costs of charitable activities approved by the charity and all support costs relating to these activities. Governance costs include direct resources expended in the general running of the charity and are primarily associated with constitutional and statutory requirements. These costs are allocated entirely to charitable activities.

Allocation and apportionment of costs

Support costs are allocated wholly to charitable activities. Whilst the Trustees recognise that a small part of some items of expenditure included in support costs do relate to indirect governance costs, they are of the opinion that the time and costs involved in performing such an analysis outweigh the potential benefits arising from any such work.

Notes to the Financial Statements - continued for the Year Ended 31 March 2019

1. ACCOUNTING POLICIES - continued

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off the cost less estimated residual value of each asset over its estimated useful life.

Improvements to property

- 5% on cost

Fixtures and fittings

- 20% on cost

Computer equipment

- 33% on cost

All tangible fixed assets having a use by the charity greater than one year are capitalised where the individual cost of the asset is greater than £500.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Funds are classified as either unrestricted fund or restricted funds, defined as follows:

Unrestricted funds are expendable at the discretion of the Trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the Trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the Trustees discretion to apply the funds.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal process, but still within the wider objects of the charity.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the pension scheme are charged to the statement of financial activities in the period to which they relate.

Notes to the Financial Statements - continued for the Year Ended 31 March 2019

1. ACCOUNTING POLICIES - continued

Financial instruments

The charity has no complex financial instruments but does hold basic financial instruments of; cash at bank, debtors and creditors.

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. A bank overdraft would be shown within current liabilities.

Debtors are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less losses for bad debts except where the effect of discounting would be immaterial. In such cases, trade and other debtors are stated at cost less losses for bad debts.

Creditors are initially recognised at fair value and subsequently measured at amortised cost using the effective interest rate unless the effect of discounting would be immaterial. In such cases, trade and other creditors are stated at cost.

Employee benefits

The total cost of employee benefits to which employees have become entitled as a result of service rendered to the entity during the reporting period are recognised and charged to the statement of financial activities in the period to which they relate.

Volunteers

In accordance with FRS 102 and the Charities SORP (FRS 102), the economic contribution of general volunteers is not recognised in the financial statements as this cannot be reliably measured.

Provision for liabilities

A provision is initially recognised when there is an obligation at the balance sheet date as the result of a past event, it is probable that there will be the transfer of funds in settlement and the amount of the obligation can be estimated reliably. The provision is subsequently measured by placing a charge against the provision only for expenditure for which the provision was originally recognised.

2. DONATIONS AND LEGACIES

| | 2019 | 2018 |
|---|---------|----------|
| | £ | £ |
| Donations | 250 | |
| Legacies | 27 | 44,271 |
| Grants | 514,876 | 440,719 |

Notes to the Financial Statements - continued for the Year Ended 31 March 2019

17. MOVEMENT IN FUNDS - continued

Unrestricted Fund

Advice & Representation Fund represents funds to operate the core objectives of the charity.

Restricted Funds

Consortium Project represents the provision of advice and information outreach service at three separate housing associations - Bellsmyre HA and Cordale HA.

Community Jobs Scotland Fund represents funds received to enable the recruitment of an admin apprentice.

Financial Health Check Fund represents funds received to enable a project to be delivered to support for advice regarding individuals financial affairs.

Local Energy Advice Project (LEAP) represents a project to raise energy awareness and energy efficiency in the area.

Patient Advice Support Service represents advice and support offered to NHS patients concerned or unhappy about the services provided to them by the NHS.

Pensionwise Project represents the provision of a free and impartial service assisting people to understand the new options introduced by the government regarding pensions.

Power of Attorney Fund represents funds received to raise awareness of the purpose and needs for a Power of Attorney to be set up.

Short Term Debt Fund represents funds received to support the provision of advice to individuals in respect of short term debt.

Universal Credit Fund represents funds received to provide support to individuals regarding universal credit.

Welfare Reform Project represents funds received for recruitment of two Benefit Information Workers. These workers are responsible for assisting and supporting volunteers and vulnerable benefit claimants.

18. PENSION COMMITMENTS

The charity operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the charity in an independently administered fund. The pension cost charge represents contributions payable by the charity to the fund and amounted to £17,564 in the year (2018 £14,754). As at 31 March 2019 there were no outstanding pension contributions (2018 £1,970) included in accrued charges.

19. RELATED PARTY DISCLOSURES

One trustee, J McColl, is an elected Councillor of West Dunbartonshire Council, who are principal funders of the charity. This trustee holds the position of Leader of West Dunbartonshire Council and therefore holds a position of influence and power over funding allocations. The total amount received from West Dunbartonshire Council in the year to 31 March 2019 was £392,305 (2018 £383,889). The Trustees are aware of this and have put appropriate policies and safeguards in place to manage the conflict of interest.

There were no donations made to the Charity by Trustees during the year (2018 nil).

20. APB ETHICAL STANDARD - PROVISIONS AVAILABLE FOR SMALL ENTITIES

In common with many other businesses of our size and nature we use our auditors to prepare and assist with the preparation of the financial statements.
